

## Mission Statements

Unity-N-Community mission is to improve and provide tools of change and growth for youth & families who face challenging issues in the community to increase their chances to successfully achieve valuable opportunities through education, training and leadership development.

## Vision Statements

Unity-N-Community vision is to help youth & families reach their highest potential and develop into a generation of strong leaders, in order to motivate the next generation of leaders.

We are dedicated to unifying and empowering individuals of all ages and cultures by encouraging strong family units and providing the highest quality of training, knowledge and referral services; to help family units become stable, recognize individual self-worth, and shape how they live and grow within their communities productively.

## Educate/Encourage Our Family and Youth Now!

- Admit when we made a mistake in raising our kids and bring yes Sir no Ma'am back
- Teach the the golden rule "Do unto others as you would have others do unto you". Don't make it a habit of speaking ill of others is first learned from you.
- Become your community leader, every neighborhood has someone they look up to
- Plan a clean up day in your neighborhood
- Teach respect for the police and others law enforcement
- Not everyone can afford to go to college. Everyone can afford to be educated. Teach your children the importance of graduating high school
- Teach the importance of a drug free life. Do not allow your home to ever be a point of exposure for drugs to your children
- Educate your children. Teach them the difference between a job and a career. Learn about your children hopes and dreams for the future.
- Teach them the value of good credit and the importance of saving. They may be young but it is never to early to learn how to prepare for the future
